Re: *Kemp v. Regeneron Pharmaceuticals, Inc.* Dated: April 14, 2021  
Case No. 20-cv-02270 (NSR) (JCM) White Plains, NY

**SO ORDERED:**

  
HON. NELSON S. ROMAN  
UNITED STATES DISTRICT JUDGE

Dear Judge Roman:

As counsel for Defendant Regeneron Pharmaceuticals, Inc., we write, in accordance with Rule 1.E of Your Honor's Individual Practices in Civil Cases, to request a further extension of Defendant's time to file its motion for summary judgment from April 16, 2021 to May 7, 2021. The undersigned has been working diligently to review the factual record and finalize the motion papers, but the factual record is voluminous, and I was unavailable for a portion of last week because of a family health emergency that required surgery and a hospital stay.

This is Defendant's second request for an extension of its time to file a summary judgment motion. Yesterday, counsel for the parties conferred via email, and Plaintiff consented to Defendant's request. The parties agreed on the following revised briefing schedule:

May 7, 2021:	Defendant's deadline to serve (not file) its motion for summary judgment;
June 7, 2021:	Plaintiff's deadline to serve (not file) her opposition to Defendant's summary judgment motion; and
June 28, 2021:	Defendant's deadline to serve its reply and all parties' deadline to file all motion documents.

In accordance with Your Honor's Individual Practices we enclose a Proposed Revised Briefing Schedule with Respect to Defendant's Motion for Summary Judgment. We thank the Court for its consideration of this request and the attached proposed order.

Respectfully submitted,

*/s/ Shawn Matthew Clark*
